

| CRAFTED TO RULE

Most SUVs are designed. This one is crafted. Every curve, every detail of this SUV has a story that speaks of a new breed that exudes dominance, demands your attention, and rules every road. It embodies NEXA's Crafted Futurism Design Language and stands apart on every road it drives on. The NEXWave Grille and a bold front fascia lend this car a high stance. This powerful design is further amplified by strong shoulder lines that flow seamlessly into the Signature NEXTre' Tail Lamps. And the large R17 Precision Cut Alloy Wheels lend it a solid stance, leaving a trail behind that's hard to ignore. This is the Advanced Grand Vitara. A new breed of SUVs that you don't just drive. You rule every road.

| RULE CONVENIENTLY

Sitting inside the Advanced Grand Vitara is a new experience in extravagance. From its Black & Bordeaux Dual Tone Interiors to the new age features – every inch of the Grand Vitara is designed for utmost comfort.

· Auto AC

Be it the summer sun, or the winter chill, you'll always be comfortable in the Advanced Grand Vitara. Just set the desired temperature and enjoy your drive as the Auto AC automatically monitors the cabin temperature, and regulates the blower speed so that you don't have to.

Cruise Control

The long highway roads are a breeze to drive on when you're in the Advanced Grand Vitara. Its Cruise Control feature lets you pick and maintain any cruising speed above 40 km/h.

· SmartPlay Pro+

Liven up your adventures with the SmartPlay Pro+. Its 22.86 cm touchscreen display comes with an intuitive user interface with Advanced Voice Assist. But that's not all, the wireless Apple CarPlay®2 and Android Auto®3 ensure endless entertainment and seamless connectivity.

THE GRAND VITARA S-CNG - RULE WITH A CONSCIENCE

The Advanced Grand Vitara takes a new road towards sustainability with the factory-fitted S-CNG. It is calibrated to deliver optimum performance, safety, engine durability, convenience and mileage.

Intelligent Injection System

The Intelligent Injection System in the Grand Vitara provides an optimum air-fuel ratio during combustion, ensuring better and consistent performance along with high fuel efficiency.

Fuel Change Over Switch

The Fuel Change Over Switch lets you shift between petrol and CNG modes seamlessly.

MID Screen - Fuel Indicator

The Grand Vitara with S-CNG comes equipped with a fuel indicator on the MID Screen, which lets you track your vehicle's fuel level.

| RULE SAFELY

Fierce and dominating outside. Comfortable and safe inside. The Advanced Grand Vitara comes with the NEXA Safety Shield, a host of standard safety features, across all its variants.

• 6 Airbags

The Grand Vitara comes equipped with 6 Airbags (front, side & curtain) for improved passenger safety.

Hill-Hold Assist

The Grand Vitara ensures your safety on steep roads with Hill-Hold Assist, which automatically activates when you brake while driving uphill and prevents your car from rolling backwards.

I EFFICIENT AND SAFE

The Grand Vitara with S-CNG doesn't hold back when it comes to your safety. It comes with enhanced safety features that are tested for every driving situation and the fuel-filling process as well.

Vehicle Dynamics

The Advanced Grand Vitara is evaluated and tested for crashworthiness and durability with the entire CNG System in place.

Micro Switch

It is equipped with a micro switch, which ensures that the vehicle turns off and does not start during the CNG fuel-filling process.

Stainless Steel Pipes and Joints

Stainless steel pipes and joints provide corrosion resistance and a leak-proof design to the entire CNG structure.

Integrated Harness

The wiring harness inside the vehicle is an integrated system, which eliminates any chance of short circuits.
